CASPER

The education chair Casper can be adjusted in height for pupils between 6–13 years and fits table heights between 730–900 mm. The sitting height is adjusted with a spanner and adaptable to the table height. The seat and back in moulded beech or birch can be fitted with padded, washable covers for greater sitting comfort. Casper is fitted with a name plate on the reverse of the backrest. It can be hung from a tabletop. Optional: schoolbox.
