

OBI

'Obi' is Japanese and refers to the long sash that ties around and holds together the Japanese kimono. Obi's signature joint of die-cast aluminium is the pedestal's distinguishing design feature. It is the element that unites the table's pedestal and legs of different heights and sizes. The legs are of solid, chromiumplated aluminium. The tripod means that the table is always stable, even standing on uneven surfaces.

VARIANTS

	W	D	Ø	H
			600 mm	575/720/1075 mm
			800 mm	610/720/875 mm
			1200 mm	440/720 mm
	1200 mm	700 mm		720/875/1075 mm
	1800 mm	700 mm		720/875/1075 mm
