

VIPER

Viper folding table has been designed as a multi-purpose conference table. This is a versatile and highly practical table thanks to its light weight and smart construction. Its gently curved top conceals the construction when closed. The frame has a lock for each pair of legs. The plastic fittings provide protection when stacking. The simple and characteristic design of the Viper folding table complements the Viper chair perfectly.

VARIANTS

	W	D	H
	1200 mm	555 mm	720/870 mm
	1400 mm	555 mm	720/870 mm
	1200 mm	755 mm	720/870 mm
	1400 mm	755 mm	720/870 mm
	580 mm	1080 mm	1100 mm
