

## **ADAM**

Adam bar stool has a strict design with elements of post-functionalism. Furthermore, they are very light due to the choice of material and construction method. The seat and backrest are made of compression-moulded birch veneer. The chairs are also available in white or black melamine, un-upholstered or with upholstered seat. Adam is also available as chair and armchair.

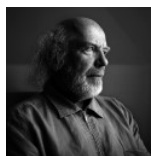

## VARIANTS

	<b>W</b>	<b>D</b>	<b>H</b>	<b>SH</b>
	490 mm	460 mm	930 mm	630 mm
	490 mm	460 mm	1080 mm	780 mm
