

LEAN IN

Our Newcomer for 2016 challenges conventional ways of using interiors. Lean in gives form to a natural behaviour – leaning while standing up. The piece of furniture is wall-mounted and forms an invitingly soft support for the body. Lean In is ideal in areas with limited space, or in rooms where you spend short periods or want to create new ways of moving and interacting.

VARIANTS

	W	D	H
	550 mm	210 mm	860 mm
	625 mm	210 mm	860 mm
