

SUCCESSFUL INTERIORS

ELSA

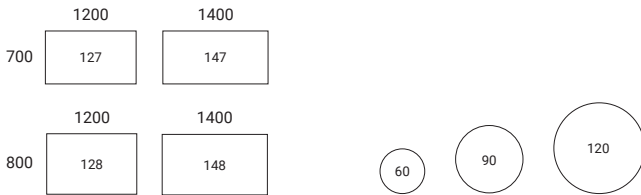

Kinnarps

ELSA IS A COMFORTABLE, FUNCTIONAL TABLE SERIES THAT SUITS VARIOUS TYPES OF LEARNING ENVIRONMENTS. WITH ITS SOFT DESIGN AND ITS GOOD ACOUSTIC PROPERTIES, IT HAS BEEN DEVELOPED FOR CREATIVE SCHOOL ENVIRONMENTS WITH A FOCUS ON ACTIVE LEARNING. VARIOUS HEIGHTS AND TABLETOP SHAPES ENABLE IT TO SUIT DIFFERENT TYPES OF CONTEXTS; IT WORKS EQUALLY WELL AS A SOFA TABLE IN THE TEACHERS' ROOM OR IN A LOUNGE ENVIRONMENT IN THE OFFICE.

- With its good acoustics and soft shapes, it offers comfort and well-being for the younger children.
- The table has rounded legs that you don't hit yourself on. Choose between rounded or straight corners.
- Several heights for different ages and areas of use.
- Two tabletop options with acoustic properties: the HPL sound-absorbing top has a hardwearing surface of high-pressure laminate that effectively dampens noise from hard objects, and marmoleum gives a warm, comfortable surface with excellent acoustic properties.
- Choose between rectangular and round tables in several sizes.
- Tabletops and underframes are FSC labelled and are distributed sustainably.

ELSA

Elsa is available in three different heights: 550 and 600 mm are suitable table heights for children in pre-school, primary and middle school, and 730 mm is suitable for group work and games. Naturally, all versions work equally well as sofa tables in various kinds of working environments.

TOP 23-24 mm (depending on choice of material), HPL sound-absorbing with cork and high-pressure laminate (birch, beech, light grey, grey, white), veneer (birch), marmoleum (light grey, dark grey, beige). The rounded tabletop corners are available in two designs: radius 2 and radius 50.

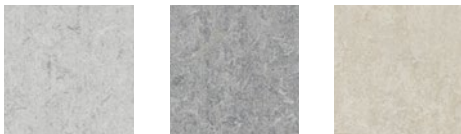

UNDERFRAME Legs in moulded wood (birch). **TABLE HEIGHT** Fixed height 550, 600 and 730 mm. **SCALE** 1:100. **UNIT** mm.

HIGH-PRESSURE LAMINATE

Birch Beech Light grey Grey White
