

Kinnarps

plus[*cv*]

plus[**cv**]

A very comfortable chair with flexible back and seat, providing extra high comfort. Plus[**cv**] is available in four versions: Four legged with armrests, with castors and armrests, with cantilever legs and with cantilever legs and armrests. This is now also available with a mesh-back option. The chair belongs to the same series as the desk chairs Plus[6] and Plus[8]. The armrests are available in wood or black polyurethane.
